EDITORIAL POLICIES

SCOPE OF ARTICLES

Articles of any length containing important scientific data concerning any aspect of the study of African Lepidoptera will be considered for publication. The content of such articles may include but will not be limited to:

1. Taxonomic reviews, systematics and descriptions of new taxa.
2. Life history descriptions, behavioural studies and ecological research including habitat descriptions.
3. Description of the lepidopteran fauna of specific areas, with checklists, photographs and notes.
4. Conservation management including IUCN assessments.
5. Phylogenetic hypotheses based on molecular analyses and other characters.
6. Lepidoptera atlasing and distribution.
7. Biogeographical analysis.
8. Methodologies applied to studies of Lepidoptera.

LENGTH OF ARTICLES

There is in principle no limitation to the length of articles. "Notes" will comprise articles shorter than two pages. "Book Reviews" will normally be less than one page.

RESPONSIBILITY FOR ARTICLES

The factual accuracy of articles and any opinions expressed are the responsibility of the author(s). The editor of *Metamorphosis* and the Lepidopterists' Society of Africa (LepSoc) assume no responsibility for these articles or opinions. The editor in his/ her absolute discretion reserves the right to reject any articles not conforming to the instructions to authors given below, or which do not comply with scientific conventions.

COPYRIGHT

All copyright for contributions published in this journal belongs to *Metamorphosis* and/or the individual author(s), in terms of a Creative Commons license, which can be viewed at <http://creativecommons.org/licenses/by-nc-nd/3.0/>, and which only allows users to copy, distribute and transmit the work, whilst prohibiting commercial use and preventing alteration, transformation of, or building upon the work. The finally formatted, printed version is under the copyright of LepSoc as the publisher, although the author(s) retain the right to fully use the content of the article, provided that the publisher is acknowledged. Text extracts may be used by third parties with prior, written permission from the *Metamorphosis* editor and (as a minimum) the senior author. The journal name, volume, number and date of publication must be acknowledged by the third party together with the author(s) and title of the article.

INSTRUCTIONS TO AUTHORS

Full instructions for authors can be found on our website at <http://www.metamorphosis.org.za/?p=authors>. Articles should be submitted to the editor at edgeda@telkomsa.net, or by mail to P O Box 2586, Knysna 6570, South Africa.

REVIEWERS

The instructions for reviewers on the *Metamorphosis* website contain information about the ethical code that they are expected to adhere to, the online review process, detailed instructions on how to carry out their review, and what are the possible outcomes of the review process.

Metamorphosis has assembled a group of high quality reviewers but welcomes additions to this group. If you wish to become a *Metamorphosis* reviewer please contact the editor at edgeda@telkomsa.net.
