SPONSOR MEMBERS

The members below, apart from their significant contributions to the Society as individuals, have chosen to be Sponsor Members for 2016 and have through their generosity provided significant financial support, which is much appreciated by the Society. Any member of the Society can volunteer to become a sponsor member on an annual basis by making a contribution of R1 200 (Africa) or R 1 400 (International). Since the Society needs all the financial support it can get to provide services to members and to fund our projects more members are encouraged to become sponsor members in the future.

DONATIONS TO THE SOCIETY WILL ASSIST BUTTERFLY CONSERVATION

Donations to LepSoc Africa are needed more than ever, since we have now committed ourselves to several conservation programmes and projects:

COREL – Custodians of Rare and Endangered Lepidoptera
SALCA – South African Lepidoptera Conservation Assessment.
BioGaps – Biodiversity Gaps in the Karoo
BED – Butterfly Evolutionary Diversity project

These programmes are being funded through the Brenton Blue Trust (BBT), a registered Public Benefit Organisation, of which LepSoc Africa was a founder member. SARS has given permission for donations made through the BBT (website www.brentonbluetrust.co.za) for butterfly conservation to be eligible for issuing of section 18A tax certificates.

Donors are therefore encouraged to make their donations by accessing our website page www.lepsocafrika.org.za and clicking on the “donate” button, or by making an electronic funds transfer to LepSoc Africa’s or the BBT’s bank accounts, which are given below:
