PUBLICATION AND ACCESSIBILITY:

Articles are published on the *Metamorphosis* website as soon as the review and editing process is complete. An annual print version is sent to Honorary Life members, Sponsor members and subscribers. All articles published are immediately freely available on the website for the public to read and download as PDFs. Issues of *Metamorphosis* dating back to 1983 are also available for download.

THE LEPIDOPTERISTS' SOCIETY OF AFRICA NPC

The Society is a non-profit organisation registered as a non-profit company under the South African Companies Act, with registered offices at 81 Tulbagh Street, Brenton on Sea, Knysna, 6571, South Africa. (www.lepsocafrika.org)

MEMBERSHIP

The aims of the Lepidopterists' Society of Africa are to promote the scientific study and conservation of Lepidoptera in Africa. Membership of the Society is open to all persons interested in the study or the conservation of African Lepidoptera, with no geographical limit to membership. Membership categories and subscriptions are listed below, plus the cost of the printed version of *Metamorphosis* (including mailing). For more details please email hanitadut@gmail.com.

Membership category	Africa	International
Sponsor Member	R 1480	R 1650
Full & Affiliate Member	R 350	R 420
Pensioner (> 60 years)	R 260	R 310
Student (< 23 years)	R 180	R 240

Metamorphosis printed version (Volume 34) R 250 (excl. delivery – contact Dave Edge for options orachrysops@gmail.com)

GENERAL CORRESPONDENCE

Justin Bode justinbode@yahoo.com

EDITORIAL POLICIES

SCOPE OF ARTICLES

Articles of any length containing important scientific data concerning any aspect of the study of African Lepidoptera will be considered for publication. The content of such articles may include but will not be limited to:

1. Taxonomic reviews, systematics and descriptions of new taxa.
2. Life history descriptions, behavioural studies and ecological research including habitat descriptions.
3. Description of the lepidopteran fauna of specific areas, with checklists, photographs and notes.
4. Conservation management including IUCN conservation assessments.
5. Phylogenetic hypotheses based on molecular analyses and other characters.
6. Hypothesis based studies that postulate theoretical explanations for lepidopterological phenomena.
7. Lepidoptera atlasing and distribution.
8. Biogeographical analysis.
9. Methodologies applied to studies of Lepidoptera.

LENGTH OF ARTICLES

There is in principle no limitation to the length of articles. "Notes" will comprise articles of three pages or less, only published electronically. "Book Reviews" will normally be less than two pages.

RESPONSIBILITY FOR ARTICLES

The factual accuracy of articles and any opinions expressed are the responsibility of the author(s). The Editor-in-Chief of *Metamorphosis* and the Lepidopterists' Society of Africa (LepSoc Africa) assume no responsibility for these articles or opinions. The Editor-in-Chief reserves the right, at his/ her absolute discretion, to reject any articles not conforming to the instructions to authors given below, or which do not comply with normal scientific conventions.

COPYRIGHT & LICENSING

Copyright for contributions published in this journal belongs to the Lepidopterists' Society of Africa NPC and/or the individual author(s), and the public is entitled to use these articles in terms of a Creative Commons license, which can be viewed at <http://creativecommons.org/licenses/by-nc-nd/4.0/>, and which only allows users to copy, distribute and transmit the work, whilst prohibiting commercial use and preventing alteration, transformation of, or building upon the work. The finally formatted, printed version is under the copyright of LepSoc Africa as the publisher, although the author(s) retain the right to fully reproduce or use the content of the article, provided that the publisher is acknowledged. Text extracts may be used by third parties with prior, written permission from the *Metamorphosis* Editor and (as a minimum) the senior author. The journal name, volume, number and date of publication must be acknowledged by the third party together with the author(s) and title of the article.

INSTRUCTIONS TO AUTHORS AND SUBMISSIONS

Manuscripts and correspondence for 2024 can be sent to the Editor-in-Chief of *Metamorphosis*, Dr. Jonathan Colville (jonathan.colville@gmail.com). Submissions received after 30 November 2024 will only be published in 2025. Full instructions for authors can be found on our website at <http://www.metamorphosis.org.za/?p=authors>. There are no page charges for the first 10 pages for members of the Lepidopterists' Society of Africa, provided that the submitted manuscript complies with the author's instructions. Interested authors can obtain the current schedule of page charges by application to the Editor-in-Chief.

REVIEWERS

The instructions for reviewers on the *Metamorphosis* website contain information about the ethical code that they are expected to adhere to, the online review process, detailed instructions on how to carry out their review, and what are the possible outcomes of the review process.

Metamorphosis has assembled a group of high quality peer reviewers and welcomes additions to this group. If you wish to become a *Metamorphosis* reviewer please contact the Editor-in-Chief jonathan.colville@gmail.com.

ETHICAL POLICIES

Metamorphosis complies with the highest publication ethical standards and subscribes to the guidelines of the Committee on Publication Ethics (COPE) <https://publicationethics.org/>.

SPONSORSHIP

We are seeking sponsorship for the costs of producing *Metamorphosis* (mainly editorial staff remuneration). Interested parties, who will be acknowledged and receive exposure on both our *Metamorphosis* and LepSoc Africa websites, are invited to contact the Chairman of LepSoc Africa, Jeremy Dobson, at jchdobson@gmail.com.

TABLE OF CONTENTS

	Author(s)	Pages
Editorial	Edge, D.A.	i
Chairman's report	Dobson, J.C.H.	ii–v
Metamorphosis – 40 years on	Edge, D.A.	vi–vii
Honorary Life and Sponsor Members	Edge, D.A.	viii
Peer Reviewers	Edge, D.A.	ix
Book Review – Moths of South Africa	Woodhall, S.E.	x
Tribute to Mark Williams	Dobson, J.C.H.	xi

ARTICLES

<i>Chrysothrix</i> Butler (Papilionoidea: Lycaenidae: Aphnaeinae) – Part II: Natural history: morphology, ecology, and behaviour, with accounts of larval ecology and insights into the aphytophagous <i>C. dicksoni</i> (Gabriel).	Heath, A., Pringle, E.L. & Quek, S-P.	1–10
<i>Chrysothrix</i> Butler (Papilionoidea: Lycaenidae: Aphnaeinae) – Part III: An integrative taxonomic revision.	Heath, A., Pringle, E.L. & Quek, S-P.	11–28
Taxonomic notes on <i>Liptena durbania</i> Bethune-Baker, 1915 (Papilionoidea: Lycaenidae: Poritiinae).	Libert, M.	29–34
Taxonomic revision of the tribe Acraeini Boisduval, 1833 (Papilionoidea: Nymphalidae: Heliconiinae).	Williams, M.C. & Henning, G.A.	35–49
Description of a new species from Africa in genus <i>Coccothera</i> Meyrick, 1914, with additional taxonomic and faunistic information on two other <i>Coccothera</i> species (Lepidoptera: Tortricidae: Grapholitini).	Larsen, K.	50–58
The genera of the tribe Charaxini (Papilionoidea, Nymphalidae, Charaxinae).	Bouyer, T.	59–78
Degrees of specialism in butterflies: a method for defining levels of specialism and an evaluation of South African species.	Williams, M.C. & Dobson, J.C.H.	79–96
A peculiar new species of <i>Nyodes</i> Laporte, 1970 (Lepidoptera: Noctuidae)	Zilli, A., László, G.M., Kingston, A.J. & Larsen, M.	97–104
<i>Colotis lais</i> (Butler, 1876) and <i>Colotis euipe omphale</i> (Godart, [1819]) use <i>Cadaba aphylla</i> (Thunb.) Wild LC as a host-plant at Tswalu Kalahari, Northern Cape Province, South Africa).	Terblanche, R.F.	105–112
Studies on Crambidae III: New genus of Pyraustinae for the Afrotropical region. (Lepidoptera: Pyraloidea: Crambidae: Pyraustinae).	Maes, K.V.N.	113–116
New data and species of Ethmiidae (Lepidoptera: Gelechioidea) from the Afrotropical Region.	Mey, W.	117–124
Four new African species in genus <i>Coccothera</i> Meyrick, 1914 (Lepidoptera: Tortricidae: Grapholitini).	Larsen, K.	125–134
